

THE MARMIC EXPERIENCE

EXPERT PROVIDER OF CHOICE

SCHEDULING ALL SERVICES

Save time and money! We keep track of your inspection schedule for alarm, sprinkler, fire extinguisher emergency lights, and more. No need to call multiple vendors.

24/7 EMERGENCY RESPONSE

Count on our emergency response teams to get you back up and running. We are always standing by.

EASY REPORT ACCESS

Choose how you want your completed inspections: paper, e-mail, or online portal access powered by ServiceTrade.

We've been protecting lives and property since 1951, and over 50,000 clients trust us as their total Fire & Life Safety services provider. We employ over 1,000 committed team members that are part of the Marmic family and include licensed technicians with the specific certifications and expertise needed to service your facility and keep you in compliance.

Benefit from the individualized support of a local team backed by the resources of a national company. Whether at a single facility or multiple locations, with our network of over 50 Marmic locations, **YOU GET THE BEST OF BOTH WORLDS** – self-performing experts familiar with the nuances of your community, plus best-in-class solutions only an industry leader can provide.
