Our business is maintaining Your business

PARTNERSHIP

BRIGHT SKY provides maintenance services to retail, industrial, institutional, and other commercial clients across the metropolitan U.S.

BRIGHT SKY works closely with clients to understand their facility, fleet, and staffing requirements.

BRIGHT SKY delivers customized and cost-effective maintenance services that firms require—all from a single company.

Our comprehensive approach to facility maintenance eliminates the task of managing multiple service contracts and creates a strong partnership with our clients.

COMMITMENT

BRIGHT SKY actively attracts and retains the best talent. We regularly interview and screen new applicants to ensure fit, stability, and dependability.

BRIGHT SKY Human Resources supports all services and trains new team members in the classroom, with handbooks, and on site.

BRIGHT SKY employees receive training, tools, and supervision they need to perform their work safely.

Our commitment to recruitment and training helps BRIGHT SKY deliver reliable teams that provide superior service.

Mobile Truck Washing and Mobile Pressure Washing

OUR FULLY EQUIPPED MOBILE UNITS ARE DRIVEN TO
OUR CLIENTS' LOCATIONS TO PROVIDE OUR SERVICES.

TRUCK WASHING AND PRESSURE WASHING

Recognizing and adapting to the changing requirements of the nation's logistics industry is one of the many qualities that distinguishes **BRIGHT SKY** from its competition. **BRIGHT SKY'S** Truck Washing Group provides exterior pressure washing, interior detailing, and engine steam cleaning for all types of trucks, tractors, trailers, and other vehicles. Among the largest truck washing companies in the United States, we have developed the expertise to provide customized washing services to a wide range of clients.

BRIGHT SKY'S Mobile Pressure Washing Group specializes in pressure washing all types of commercial surfaces. Our mobile units are driven to our client's locations to pressure wash awnings, buildings, signage, store fronts, and many other types of surfaces. In designing our customized solutions we evaluate our clients' needs, the surfaces to be washed, and the overall property. We determine the ideal method, chemicals, frequency, and pressure to be used. We provide our clients with consistent high quality, tailored services, and the convenience of being mobile.

THE BRIGHT SKY ADVANTAGE

BRIGHT SKY provides its clients with the quality, responsiveness, and agility expected from a service company. These vital best practices are the cornerstones of our services. Our employees embrace our client service standards and our client courtesy program. In fact,

our client courtesy program ensures that **BRIGHT SKY** services are always tailored due to regular monitoring for client satisfaction and scheduling requirements.

We work closely with our clients to understand their needs and develop long-lasting partnerships. We understand the importance of clean vehicles, equipment, and other assets for our clients and their image.

ENVIRONMENTALLY FRIENDLY WASHING

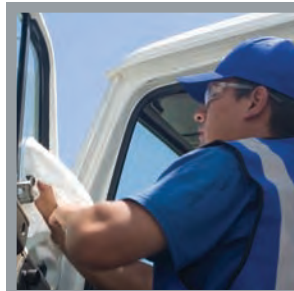

BRIGHT SKY operates by a value system that highlights the importance of protecting and preserving the environment. We emphasize the importance of environmental friendliness in our recruiting, training, and mission of the company. In the field, we tailor our solutions to best fit the client's needs. We take into consideration such factors as the premises of the client and the cleaning agents to be used.

NPG Security Services

DURING THE PAST 30 YEARS, WE HAVE GROWN TREMENDOUSLY, EXPANDING OUR EXPERTISE AND SERVICES TO AN INCREASING NUMBER OF CLIENTS.

COMPLETE SECURITY SOLUTIONS

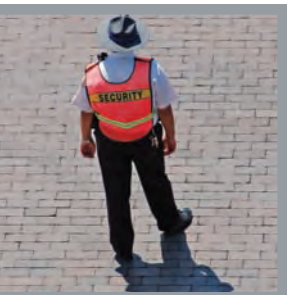

As a sister company of **BRIGHT SKY**, NPG Security Services is dedicated to the safety and security of our clients' properties.

CUSTOMIZED SOLUTIONS

With the experience we've gained over the last three decades serving a range of clients, we're able to design and deliver customized security solutions. We start with a total property assessment and conduct a thorough needs review with our clients. Next, we customize components of our security program to deliver the desired results. Finally, to ensure total accountability, we monitor our services through a quality assurance program. We speak with our clients regularly for feedback on specific performance criteria including, key customer objectives, quality improvement opportunities, and tactical modifications. By meeting with our clients as part of our routine work process, and conducting frequent site inspections, we ensure our services are always tailored to our clients' needs.

We place great emphasis on retaining our people in order to ensure minimal turnover. Our employees remain motivated through frequent training, multiple advancement opportunities, and achievement recognition programs. The **NPG** difference can be found in our people.

Our team of seasoned security professionals take a comprehensive approach to securing our clients' facilities. Our experts have in-depth knowledge of security procedures, response protocols, and best practices to secure a range of facilities. Additionally, **NPG** also provides training and oversight to execute those procedures consistently and thoroughly each time. From access monitoring and grounds inspection to identifying vulnerabilities, **NPG** combines understanding and execution.
