

Our #1 Goal – Your Peace of Mind

Whether day or night, you will be able to reach a BSA representative who can assist you. Take advantage of having a single provider, one company, one primary contact to respond to meet your service requirements. The BSA promise is to be there when you need us.

BSA is committed to building long-term relationships. We are vested in our clients' operations in order to help them meet their goals and expectations.

Professional Residential Building Service Experts

About BSA

We provide services to commercial and residential buildings throughout Chicagoland. BSA provides trained staff for a range of duties. The BSA Advantage provides our clients stress-free staffing while improving operating costs.

We Do Our Job So You Can Do Yours!

Avoid time consuming duties of hiring and managing employees and the need to address administrative duties such as:

- Workers compensation
- Liability Insurance
- Unemployment benefits
- Manage sick/ personal days

The BSA Advantage

Our multi-tiered Quality Assurance Program sets BSA apart from other staffing companies. All of our staff are employees of BSA; this means we background check, train and examine all candidates prior to reaching your door.

An Account Manager is assigned to each building. The Account Manager then becomes an expert in exceeding the level of service you require. A last minute call off will not interrupt service. The Account Manager is familiar with your specific building requirements and will provide replacement coverage for door staff, janitors and engineers.

Move to a better building solution. We will oversee a seamless transition while increasing the dependability and quality of your services.

Door Staff – Full Time and Call off Coverage

Experienced, personable and uniformed door staff will greet all who enter your building. Your resident and their guests will feel secure knowing that our trained and experienced people are monitoring access to their building

We will also provide last minute call off and replacement coverage for door staff, janitors and engineers.
