

All-In-One Software to Manage HOAs Online

The screenshot displays the PAY HOA software interface. On the left is a navigation sidebar with icons for Dashboard, Units, People, Invoices, Payments, Vendors, Transactions, Budgets, Reports, Requests, Violations, Broadcast, Mail Room, Documents, and Other Tools. The main dashboard area includes a search bar, a 'Widgets' section with four cards for Violations, Maintenance Requests, General Requests, and Architectural Requests, and a large 'Invoiced vs Paid' bar chart. The chart shows monthly data for fiscal year 20XX, with green bars for 'Collected' and grey bars for 'Invoiced'. To the right is an 'Expenses' section with a 'Manage Budget' button and a donut chart for January 20XX. At the bottom, there are sections for 'Accounts' (with a 'Manage Accounts' button) and 'Payments' (with a 'Record Offline Payment' button and a table header for DATE, PAYOR, METHOD, AMOUNT, and ACTIONS).
