

Services for Property Managers

Tree, Shrub & Lawn Care Experts with Experience Solving Challenges Unique to Property Managers

As a property manager, you understand the impact of a beautiful landscape and the value it adds. SavATree arborists share your passion for excellence and have experience working with property managers and their in-house staff to overcome challenges, achieve landscape goals, and stay on budget.

The Benefits of Working with SavATree

We are a licensed and TCIA accredited tree service and lawn care company that has earned a reputation for quality, reliability and professionalism. We understand the unique requirements of each individual landscape and offer the choice and flexibility to service our clients' properties when it's convenient for them.

- General tree care for safety, shape and structure
- Organic and hybrid tree, shrub & lawn care options
- Multi-year contracts and prioritized recommendations
- Professional crews who work unobtrusively
- Scheduling and notification service
- Tree preservation plans and inventory
- 24-hour emergency service and support
- Fully accredited, insured and licensed

Expertise

We employ certified arborists – with extensive industry experience and know-how. Our arborists can help you develop long-term landscape plans

that will accommodate your budget by strategically prioritizing services to meet your needs and staggering those services to maximize value.

Professional Crews

Our crews are professional in appearance, approach, and manner because we know that our presentation is a reflection on your business. Everyone who works on your property will exhibit a strong work ethic, an eye for safety and professional competency.

"We appreciate the time and attention that you take to maintain the overall health and appearance of the trees, bushes and general grounds. As they say, you can only have one first impression and the impression the grounds make on both residents and visitors alike is always positive thanks to your caring maintenance."
