Specialty Mat Services

We clean and rent floor mats.

Why do people use a mat system?

- **Cleanliness** *Specialty mats will stop 90% of tracked in dirt*
- **Image** *A clean entryway leaves a great first impression*
- **Convenience** *We handle the mats and take the dirt with us*
- **Identity** *Enhance your company's identity with attractive logo mats*
- **Safety** *Well maintained mats reduce slips and falls*
- **Flexibility** *Mat quantities and delivery frequencies are adjusted to your company's changing needs*
- **Economy** *Renting mats saves money!*
 - Reduced maintenance costs
 - Reduced floor wear
 - Reduced risk of injury

How does a mat program work?

We start with a complete analysis of your facility and your matting needs. Specialty Mat provides the mat inventories with no up-front expense. The soiled mats are picked up on one of many scheduled frequencies and replaced with fresh, clean, high quality mats.
